Subject: Appreciation to Kanth's Work.

Hi Kanth,

I am writing you this letter to appreciate your work. You are the one from Vedicsoft who has been in constantly in touch with me in both work wise and in personal. This shows not only the Employee-Employer Relationship but also your moral values to an individual apart from work.

You are such a nice person to work and I am really happy to have services from you Kanth.

Thanks Once Again!

Kind regards
