Subject: Started Thanks very much

Hi Shika,

I started my work! Got my working environment setup. Coworkers are all very friendly and helpful. I want to tell you big THANKS for all the help and support you have given to me. I have started recommending you as the best resource coordinator to all those I know in Vedicsoft. I am happy (and lucky) to work under your guidance. You really did a wonderful job. Please tell me if there is any feedback form which consultant can fill. I like to submit a highly positive feedback about you to Vedicsoft management.

Thanks once again.

Regards,

Sijith
