

Thank you! Archana...this is great news!

Nisha, Thank you so much.....You gave the right advice, you are awesome!!

Ugendra, Sonia and Beena....Thank you for taking care of initiating the H-1 extn process so quickly and swiftly.

Bhat,

The Immigration department was always very supportive and helpful in getting my H-1 extension filed, especially in these times when you hear of tough stance by the US immigration; they made the right calls and gave me the right advice. This 3 year extension was very important to me, as I was so close to completing my 6 year quota.

Kudos to Vedicsoft H-1 Immigration Department!

Thank you all,
Parikshit
