Subject: Thanks

Dear Ali,

I am writing this email just to say thanks to you, from the core of my heart. I highly appreciate your hard work and cooperation, in landing me into a client assignment. You always responded my enquiries with great attention, you were always quick to follow up with the clients, and you never go beyond my comfort level, for applying to various project opportunities; all thanks to you.

You are one of the best team members of VEDICSOFT.

Thanks & Regards
Deepak
