Subject: Vedic Immigration team rocks!!

Importance: High

Good Morning All,

It will not be wrong if I take this opportunity on behalf of all Vedic employees in appreciating and thanking Nisha, Anjaneyulu, Nadeem and Ugendra for valuable contribution towards the success of the H-1B filing during these unpredictable and changing times. Also I feel it will not be right if I only thank them for the success of my case, I am mostly in contact with many Vedic's and do discuss about the performances of different departments within Vedicsoft and based on those chats it will not be wrong to conclude that Nisha's team rocks in dedication and are brilliant in documentation and case study.

Thank you Nisha, Anganeyulu, Nadeem and Ugendra for brilliant job done on my case.
Please keep the good work going J

Bhat/Venkat,

Where did you get Nisha from?? We need to get more Nisha's J

You all have a wonderful week ahead !!
