Dear Bhat Dittakavi:

Congratulations! It is with great pleasure that **NJBIZ** and sponsors PricewaterhouseCoopers, Lowenstein Sandler PC, Infinity, PNC Bank and Dendrite International declare that Vedicsoft Solutions Inc. is one of New Jersey's Finest companies for 2005!

With a 30% jump in entries from last year, our judges had their work cut out for them as they examined a flood of financial information needed to evaluate the entrants. A lot of excitement awaits us at the Awards Dinner where the exact rankings of the winners will be announced.

**NJBIZ** would like to host two guests from Vedicsoft Solutions Inc. at the Awards Banquet to be held on October 11 at the Palace at Somerset Park in Somerset from 6:00 p.m. until 9:00 p.m. A formal invitation, two (2) tickets and travel directions will be mailed to you in several weeks. Additional tickets will be available for purchase at that time.

Please be sure to complete the information forms included with this letter. This will enable us to portray your company in the best way possible. There is also a timeline of important dates to keep in mind as we approach different publication and awards-event deadlines.

Please contact Events Director John Kaplow at (732) 246-5734 at any time if you need assistance.

Once again, congratulations, and welcome to New Jersey's Finest!

Sincerely,
