Founded in 1999 by childhood friends, Bhat Dittakavi and Venkat Yerubandi, New Jersey based VEDICSOFT specializes in providing Business Intelligence and Data Warehousing Solutions to customers spanning across Insurance, Healthcare, Investment Banking, Manufacturing, Retail and Telecom industries. VEDICSOFT specializes in delivering Business

Venkat Yerubandi

Intelligence solutions involving Data Integration, Data Analytics, Data Analysis, Data Modeling, Data Conversions, Data Migration, Data

Cleansing, Data Scrubbing, Data Profiling, Data Quality, Data Integrity and Data Governance.

Today, after 11 years,

VEDICSOFT is the leading choice for large clients with diversified needs in Data Warehousing, Data Integration, Data Cleansing, ETL, Business Intelligence and Data Analytics. Its culture of transparency, family values, leadership opportunities and trust among employees are the core foundations of company's growth. Dittakavi and Yerubandi, Co-Founders and Co-CEO's, believe that the company's focus on Business

Bhat Dittakavi

Intelligence and Data Management has helped them grow. The company's clients include Abbott Labs, ASCAP, PepsiCo, J.Crew and Nielsen Media Research.

VEDICSOFT has received several business accolades such as "Inc 500: Fastest Growing Private Companies in America", "News-India Times: Fastest Growing 10 Asian Indian Companies in USA", "NJBiz: Best Places to Work", "NJBIZ: Finest Companies in NJ", "NJBIZ: Business of the Year" to name a few. Both Dittakavi and Yerubandi were finalists in "Ernst & Young: NJ Entrepreneur of the Year". Vice President, Sonia Minhas was ranked as "NJBIZ: Among the best CFO's in NJ" and "NJBIZ: Among 50 Business Women in NJ".
