CONFERENCE & AWARDS CEREMONY

July 16, 2010

Dear Venkat Yerubandi & Bhat,

Congratulations: VEDICSOFT has once again made the Inc. 5000 list of the fastest-growing, private companies in America.

With this accomplishment, VEDICSOFT joins the rarified company of enterprises who have appeared on the list multiple times, many of which have grown to become national icons.

Your success—all the more extraordinary given the recent economic climate—is truly worth celebrating. The 29th Annual Inc. 500|5000 Conference and Awards Ceremony is being held September 30 to October 2, 2010 at the Gaylord National Resort and Convention Center in Washington, D.C. As you know, the event sells out, so it's smart to register early and save \$400 per attendee by doing so before August 2nd. To register, go to www.inc5000conference.com or call us at 866-901-3205.

We will be coordinating a major public release of the list on August 24 and request that you please refrain from any public announcements about your inclusion until then—particularly since information about each company's official rank will not be available until that time. By mid-August, more information—including your company's rank—will arrive by mail in your official honoree package.

I look forward to seeing you in Washington, D.C., and congratulating you in person.

Sincerely,

Jane Berentson

Editor in Chief
