What it does:

An IT firm focusing on data management and business intelligence for companies like Cisco, J.Crew, Nielsen Media Group, and Novartis.

Why it's growing:

Co-CEOs Bhat Dittakavi and Venkat Yerubandi believe the company's focus on niche IT markets like business intelligence and data management has helped them grow.

What's noteworthy:

While the company works with data integration providers, it prides itself on maintaining an objective viewpoint, focusing solely on the needs of clients rather than its own agenda.
