

Congratulations: you made the Inc. 5000 list

Dear Vedicsoft Solutions,

Congratulations: your company, VEDICSOFT, has made the 2009 Inc. 5000 list of the fastest-growing private companies in America.

This achievement puts you in rarefied company: the elite group you've now joined has, over the years, included companies such as Microsoft, Timberland, Intuit, Jamba Juice, Oracle, and Under Armour.

In fact, many of today's most successful U.S. companies received their first national recognition when they appeared on the Inc. list.

The accomplishment of running one of the nation's fastest growing companies is truly worth celebrating. We hope you will join your colleagues and peers at the 28th Annual Inc. 500|5000 Conference and Awards Ceremony, which will be held September 23-25, 2009 at the Gaylord National Resort and Convention Center in Washington, D.C.

The event sells out, so register early (plus you will save \$400 per attendee by registering before July 31st). To do so, go to [www.inc500conference.com](http://www.inc500conference.com) or call us at 877-211-0489.

We will be coordinating a major public release of the list on August 12 and request that you please refrain from any public announcements about your inclusion until then – particularly since information about each company's official rank will not be available until that time. More information will soon arrive by mail in your official honoree package.

I look forward to congratulating you in person in Washington, D.C.

Sincerely,

Jane Berentson
