

## SONIA MINHAS

Director, Operations

Vedicsoft

Iselin, Middlesex County

**Education:** J.P. Stevens High School.

**Job responsibility:**

Strategic planning, corporate culture, finances and HR management.

**Company description:**

IT consulting firm.

**Favorite quote:** "Take the first step in faith. You don't have to see the whole staircase, just take the first step." – Dr. Martin Luther King.

**What is the best business/career advice you have received?**

*"Something I have learned over the years: To believe and act on the premise that there are no failures, only learning experiences. When you have learned that lesson, you are one step closer to making your dream come true."*

**Role models:** My parents...instilled in me a simple point: life is experience. Whatever happens, never give up. Success is not always about the destination, but finding the joy in the journey.

**Primary professional/community affiliations:** Girl Scouts of Central & Southern New Jersey; Society for Human Resource Management; National Association of Executive and Professional Women; Support Organization for Kids in Need.
